Individualized Education Plan (IEP)

What does it mean and how can parents contribute to their child's IEP.

An Individualized Education Plan is an important document that outlines specific goals that will be targeted by the school to support your child's learning and growth. You too can contribute to your child's IEP discussion by requesting more information and sharing your own observations. Your active participation will also provide you and the team with ideas on how to assist your child in being successful at school and at home.

The session will be held in Punjabi.

When: Tuesday, November 26, 2019, 11:30am-1pm

Where: Newton Elementary
13359 81 Ave, Surrey

Supported by: Surrey School District and *posAbilities*

Light refreshments will be provided.
